On 20 October 2025, Singhai marked a major milestone with its 20th Anniversary Celebration at the Shanghai International Conference Center. Under the theme “Orchid Charm, United for Twenty Years,” the event honored two decades of shared growth, resilience, and unity among the Singhai family.

That evening, the glittering lights danced with the nightscape of the Huangpu River, illuminating a celebration that belonged to every member of Singhai. We were deeply honored to welcome nearly 350 distinguished guests, including long-standing leaders of the maritime industry, valued clients and partners from China and abroad, crew representatives serving across global routes, and dedicated shore-based Singhai staff, all gathered to witness this moment of pride and glory for Singhai.

The celebration opened with a powerful drum performance that energized the audience, followed by a bilingual host's heartfelt speech recounting Singhai's journey from its founding in Singapore in 2004 to its establishment in Shanghai in 2005. A student troupe from Shanghai

Maritime University performed *A Red Stroke*, offering birthday wishes through vibrant dance and song. Guests then viewed a commemorative video that vividly portrayed Singhai's 20-year evolution, highlighting the dedication and vitality of its people across countless maritime "logbooks."

Over Singhai's 20-year maritime journey, its most precious asset has always been its people. The highlight of the evening was the recognition of outstanding crew members and shore-based staff. The "Golden Anchor of Excellence Award" was presented to crew members with over 10 years of exceptional service, while the "Golden Pillar of Service Award" honored long-serving shore-based employees for their dedication and contributions.

The dinner was filled with joy and surprises. A Sichuan Opera “face-changing” performance drew enthusiastic applause, while Singhai staff presented songs and poetry expressing their love for the company. Students performed “Fengtiao Yushun” (May Winds and Rains Be Harmonious), and crew members sang Tomorrow Will Be Better, sharing heartfelt hopes for the future.

Immediately after the performances, Mr. Terence Zhao accompanied by Singhai’s management team and representatives of the “Golden Anchor of Excellence Award” and “Golden Pillar of Service Award” recipients, jointly cut Singhai’s 20th anniversary cake. A symbol of sweetness and fulfillment, the moment elevated the evening’s atmosphere to its peak.

We extend our heartfelt gratitude to every attendee, to all of Singhai’s clients and partners, and to every dedicated member of the Singhai family. It is your collective effort that has made

Singhai's 20-year journey so extraordinary. Let us continue to uphold the spirit of solidarity, move forward hand in hand, and sail together toward a brighter future.

For the next 20 years, we will keep sailing forward, united as one!
